RIDERS GALLERY

Since its introduction in 2002, W2 Boots has offered a technical range of top-level boots for motorcyclist, from road-racing to off-road.

Thanks to the riding experience of the R&D staff of Wind Trading Group and intense testing on roads and tracks, the commitment of W2 Boots to offer good quality at affordable prices without compromises has been reached.

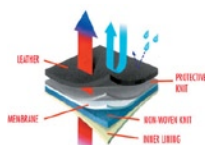

To optimize performance and durability the W2 racing boots are tested and used by top riders competing in the highest expression of motorcycle racing all around the world.
