WE KNOW HOW

Since its introduction in 1999, WRP has offered a technical range of top-level products for motorcycles. In fact the more than 40 years of riding experience of the R&D staff of Wind Trading Group has been immensely decisive in developing a prosperous future for WRP. The WRP brand relies on two factors: a strong sponsorship program that endorses the name in the racing industry and intense testing on the tracks that optimizes the performance of those products used by top riders and top teams competing in the highest expression of motorcycle racing in the world. They are in FIM World Championships of MotoGP, Superbike, Supersport, Motocross, Enduro, Freestyle MX, Supermoto and Rally, as well in American AMA Supercross and Motocross.
From 1999 and on, WRP has been endorsed by MotoGP Teams Honda LCR, KR Kenny Roberts, Moto2 Teams Interwetten, Speed RS, J1R, Italtrans, Kiefer and SAG, Superbike Teams BMW Italia and Aprilia Pata, Motocross Teams Yamaha Factory Rinaldi, Pro Circuit Kawasaki, CLS Kawasaki, Kemea Yamaha, Husqvarna Ricci Factory, Silver Action KTM and Sarholz KTM, Enduro Team Husqvarna Azzalin Factory, Supermoto Factory Teams Honda, Husqvarna, KTM and Suzuki, and over 100 Grand Prix stars that have won over 30 FIM World and U.S. AMA Championships.
